

ENTREPRENEUR'S HANDBOOK
Seminar
Feb. 20th – Tokyo & Nagoya, Japan

For companies that have been considering setting up their own subsidiary or branch office in Japan, it may sometimes not be easy to find out what it takes to make it successful.

Terrie Lloyd, founder of over 13 start-up companies in Japan, will be giving an English-language seminar and Q and A on starting up a company in Japan.

This is an ideal opportunity to find out what is involved, and to ask specific questions that are not normally answered in business books. All materials are in English and are Japan-focused.
